

Limited Financial Aid Now Available

Limited financial assistance is now available, due to the generosity of the 4-H Foundation of NH. Applicants need not be 4-H members to apply. Funds are available through the State of NH 4-H office, or through your local county UNH Cooperative Extension office.

Please submit a letter of need, keeping in mind that the request may not be used for additional weeks of camp to the same individual. It can, however, be used for multiple children from the same family. Applications may be sent to the State 4-H Camps office via email (4hcamps@unh.edu), regular mail (Moiles House, 180 Main Street, Durham, NH 03824) or to your county Cooperative Extension office (<http://extension.unh.edu/Counties/Counties.htm>). Requests will be reviewed weekly. Please feel free to contact us at 4hcamps@unh.edu or (603)862-2132 with any questions.
